## Notes

1. If an initial assessment has not been conducted within twelve months of the application date and the delay has been caused primarily by the applicant, an additional application fee will be charged. If the application is still pending after two years of the application date, the application will lapse.
2. A reduced application fee will be applied to each branch site.
3. Covers all types of sites including standard/single sites and branch sites.
4. NATA will endeavor, when possible, to schedule other work in the nearby area to minimise the costs to customers concerned.
5. NATA invoices on a monthly basis for accreditation services performed.
