## MEETING OF MEMBERS' REPRESENTATIVES

14 October 2020

---

### SUMMARY OF KEY ISSUES

- **New issues raised by Member Representatives for October 2020 – General Discussion**

The Members' Representatives tabled their respective reports. Discussions were focused around benefits and challenges of conducting in office and remote assessment activities during COVID-19 restrictions.

- **Operation and Technical Update**

NATA's General Manager Operations and Technical provided an *Accreditation Services Update* which included: Accreditation Statistics; Charter of Service; ISO/IEC 17025:2017 Transition; Update on NATA's response to COVID-19; Update on Human Pathology Program.

#### Members' Representatives - Vacancies

Currently vacancies exist to provide member representation on behalf of, Queensland and the Northern Territory. Should you be interested in becoming a Members' Representative, please contact Stephanie Phillips, Accreditation Training and Quality Coordinator in NATA's Melbourne office.
