

DRAFT DOCUMENT FOR FEEDBACK

Specific Accreditation Criteria: ISO/IEC 17025 Application Document, Calibration - Appendix

Instructions for feedback

NATA Members and Stakeholders are welcome to provide feedback on the enclosed document.

All feedback received by the closing date will be considered by NATA and the relevant Accreditation Advisory Committee.

Should you wish to provide feedback please do so by completing the enclosed form by **3 September 2025** and returning to:

Judy Smart
Deputy Sector Manager, Calibration
Judy.Smart@nata.com.au

Please note that any feedback received after this date will not be considered.
