

Inspection

Summary of the 23rd Accreditation Advisory Committee Meeting

NATA’s Inspection Accreditation Advisory Committee (IAAC) met face-to-face in Melbourne on the 26th of March 2026 and included an observer from IANZ (International Accreditation New Zealand).

The meeting reviewed the previous action items.

The meeting received reports from the AAC Members, IANZ and NATA Management. Items discussed included:

- Update on revision of ISO/IEC 17020 (ISO/CASCO Working Group 31)
- Update on the ANZEx Recognised Service Facility Scheme, including incorporation of overhaul and inspection of Diesel Engine systems, and related standards
- Review of Technical Assessor appointments and retirements
- Discussions from members on submitted questions from non-AAC members.

Meeting closed with the next proposed meeting to be in 18 months.
