## Purpose

The Australasian Sleep Association (ASA) *Standards for Sleep Disorders* detail the minimum criteria sleep services must satisfy in order to attain accreditation with ASA/NATA.

The ASA recommends that sleep services additionally consider the following publication as guidance:

*An Australasian Commentary on the AASM (American Academy of Sleep Medicine) Manual for the Scoring of Sleep and Associated Events*

## References

This section lists publications referenced in this document. The year of publication is not included as it is expected that only current versions of the references shall be used.
