

National Association of Testing Authorities, Australia

MEETING OF MEMBERS' REPRESENTATIVES

17 October 2018

SUMMARY OF KEY ISSUES

- **New Issues raised by Member Representatives for October 2018 - General Discussion**

Members' Representatives tabled their respective reports. Feedback was discussed between Member Representatives, NATA staff and members of the NATA Board present. Feedback received broadly covered the following. Fees, Scopes, documentation requirements, responsiveness and timeliness.

- **Survey outcomes**

Members' Representatives were provided with data in relation to NATA's current survey activities.

- **Monitoring accreditation activities**

NATA's Operations Manager provided an overview of the processes used by NATA to monitor the status of accreditation activities.

Members Representatives - Vacancies

Currently vacancies exist to provide member representation on behalf of Victoria. Should you be interested in becoming a Members' Representative, please contact Phillip Hill, Quality Manager, in NATA's Melbourne office.
