Additional information

The fees quoted above are only payable once during each accreditation cycle, with the exception of fees levied for additional work requested.

Fees are invoiced on submission of the online application for accreditation and the necessary supporting documentation. Payment terms are 30 days from the issue of the invoice and review of the application and supporting documentation will cease if payment is not received.

Notes

1. The Category of Practice is based on the number of modalities offered at the LSPN. Modalities include: Angiography, Computed Tomography, Fluoroscopy, General X-Ray, Mammography, Magnetic Resonance Imaging, Nuclear Medicine, Orthopantomography, Ultrasound.
2. Entry Level applications are only available to practices participating in the scheme for the first time (new start-up practices). Existing practices must complete full suite applications.
3. Practices adding modalities within their first 6 months of accreditation will be required to pay the difference between the entry level ultrasound only fee and the entry level fee appropriate to the number of modalities in operation.
4. Discounted pricing may be offered for practices operating more than five sites.
